

How do I get an awesome grade?

The most important thing to do is PAYING ATTENTION and CONTRIBUTING in class

A: Always does 12 out of 12 (A+ student WOWS me with contributions)

B: Always does 10 out of 12

C: Always does 8 out of 12

F: Does less than eight consistently, or has a **absence that was not made up within a week**

Complete top part to confirm that you understand that... period _____

- you lose points whenever you _____ without permission
- retakes are almost always possible, but you only have _____ to make-up or retake anything
- you must check your _____ online at least once a week
- even EXCUSED absences must be made up by attending a _____ (or you get a 0!)

Spanish

Speaking and listening to English is not how we learn a second language.

If you wanted to learn to play the guitar, would your guitar teacher have you bang on some drums?

While storytelling students are allowed 2 words of English to suggest cute answers. No English is better.

Grades

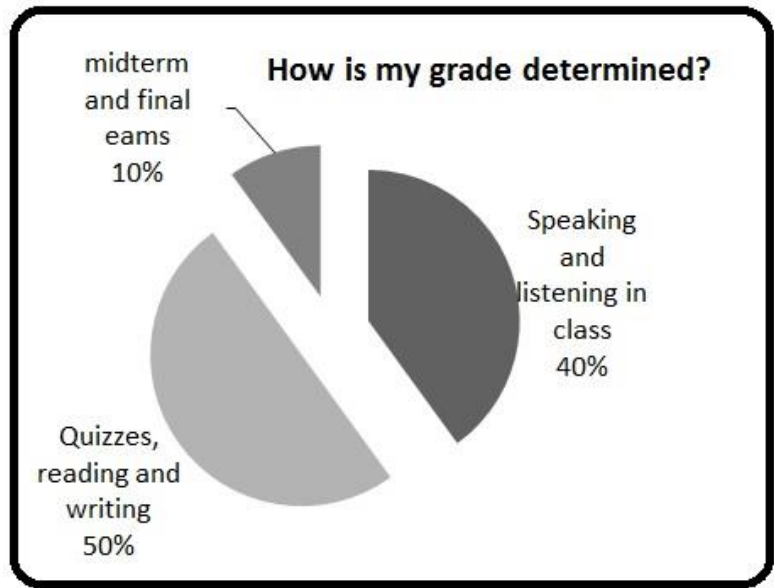

Check your grades online once a week.

YOU CAN RETAKE MOST ASSESSMENTS but you MUST email me

You only have one week from the date a grade is recorded to retake or make-up assignments.

email me to arrange a retake or make-up

EVEN EXCUSED ABSENCES MUST BE MADE UP

Since speaking and listening is an essential part of learning a language, you must make up absences within a week by coming to a lunch conversation group. **This includes absences for sports, ASB and field trips.** When absent a ZERO will be added for that week's listening and speaking in class grade; after a week the zero will become permanent.
